SUMMARY

A highly motivated and detail-oriented developer with hands-on experience in web development and a solid foundation in programming languages like Java, HTML, CSS, and JavaScript. Proficient in database management and basic algorithms, with a passion for creating user-focused solutions and showcasing adaptability and a drive for continuous learning.

SKILLS

Programming Languages	: Core Java, Advanced Java, JDBC
Algorithms	: Data Structures and Algorithms (Basics)
Web Technologies	: Html, CSS, JavaScript
Database	: SQL
Soft Skills	: Communication, Self-learning, Adaptability, Self-Motivated

WORK EXPERIENCE

Edustation

May 2023 - Jul 2023

Web Developer Intern

- Dive into the world of web development with hands-on experience. Designing user interfaces to implementing functionality, gaining practical skills in HTML, CSS, JavaScript and other relevant technologies.
- Done projects as well as gained experience through that project.

PROJECTS

University Management System,

Sep 2024

- Designed and developed a **Java-based web application** to enhance university administrative workflows.
- Integrated features for **student and professor management**, course enrollment, and course assignment to ensure seamless functionality.
- Focused on delivering a responsive, user-friendly interface with a scalable backend for future enhancements.

Combined Speech and Facial Emotion Recognition for Enhancing Human-Machine Interaction,

May 2024

- Developed a dual emotion recognition system utilizing **Convolutional Neural Network (CNN) algorithms** with **96.5% and 96.7% accuracy** for **facial and speech emotion recognition**, respectively, enhancing the precision of human-machine interaction.
- Processed an integrated dataset of over **28,000 facial images** and **1,400 speech** audio files, enabling robust training and performance improvements across diverse emotional categories.
- Deployed the model through an interactive application, showcasing real-time emotion detection with a user-friendly interface, offering practical use cases in virtual assistants, mental health monitoring, and customer engagement systems.

EDUCATION

Sree Venkateswara College of Engineering, Nellore - B. Tech, Electronics & Comm Eng - CGPA: 7.00 **Aug 2020 - May 2024**

Sri Chaitanya Junior College, Nellore - Intermediate, Mathematics - CGPA: 6.50

Jan 2018 - Apr 2020

Priyadarshini E.M High School, Nellore - Secondary School Certificate, Mathematics - CGPA: 8.0 **June 2017 - May 2018**

CERTIFICATIONS

[Java certificate](#) from Hackerank.

[SQL certificate](#) from Hackerank.

Attained HTML and CSS Certifications from Great Learning.

HOBBIES

- Listening To Music
- Sports
- Gardening

Awards

Programming Quiz Participation, SVCN
